Design Speaks

Our Houses

A conversation between architects and their clients

Go behind the scenes to hear about how architects have collaborated with their clients to create homes that reflect the way we live today.

MAT HINDS and **POPPY TAYLOR** of Hobart-based practice **TAYLOR AND HINDS ARCHITECTS**, along with clients James and Cassandra Stoddart, will share the story behind Lagoon House in Clifton Beach in Tasmania, a new dwelling that is intimately matched to the owners' lifestyle.

Melbourne-based architect **MELISSA BRIGHT** of **MAKE ARCHITECTURE**, with her clients Antony and Nicole Munro, will talk about Perimeter House in Melbourne's inner north, a clever alteration and addition that makes the most of a challenging site.
