Design Speaks: Our Houses

A conversation between architects and their clients

Go behind the scenes to hear about how two Brisbane-based architects and their clients have worked together to create homes that reflect the way we live today.

JAMES RUSSELL of **JAMES RUSSELL ARCHITECT**, the architect behind the 2013 Houses Awards' Australian House of the Year, will discuss a new residence in Brisbane's north.

PAUL HOTSTON of **PHORM ARCHITECTURE AND DESIGN** will talk about the "in-between" room he designed at the house where singer/songwriter Grant McLennan of The Go-Betweens once lived.

As a bonus, attendees can book a free **ASK AN ARCHITECT** consultation. These sessions will be held within the same venue, straight after Our Houses. Book when you purchase your ticket. Don't forget to bring your ideas, plan and photos to make the most of this opportunity to Ask An Architect.
