Design Speaks:

John Wardle

Presenting the Fairhaven Residence,
winner of the 2013 Robin Boyd Award
for Residential Architecture

Sitting on a ridgeline above the Great Ocean Road in Victoria, the Fairhaven Residence twists and angles itself towards panoramic views over the Bass Strait. The tough zinc-clad exterior gives way to a richly sculptural, timber-lined interior ideal for coastal living.

Join John Wardle as he presents the Fairhaven Residence, from the initial design concept to its award-winning realization.

Due to demand this is a repeat of the Design Speaks session held at Walsh Street South Yarra on 6 February.
