

Our Houses, Melbourne

Thursday, 10 March 2022

LEARNING OUTCOMES

Participants who attend Our Houses, Melbourne on 10 March 2022 will be able to:

- Reflect on the nature of the relationship between architect and client and consider different forms of collaboration.

AACA Competency: Design, Project Briefing 1.2, 1.4, Pre Design 2.6, Conceptual Design 3.1, Schematic Design 4.7, Detailed Design 5.8

- Speculate on possible futures of design for residential projects.

AACA Competency: Design, Pre Design 2.3; Schematic Design: 4.1 and 4.2

- Identify ways in which challenging sites/briefs can lead to innovative and unique solutions in housing.

AACA Competency: Detailed Design 5.1

- Describe how housing of different types can contribute to sustainability in our cities.

AACA Competency: Conceptual Design 3.3

FORMAL ASSESSMENT

- Describe the differing approaches the two architects took in designing homes that catered to both their client's business and home life.
- What were some of the challenges faced by the presenting architects and clients and how were they addressed?
- Were there any aspects of the case studies presented (design process or outcome) that you would have done differently?
- What impact will the case studies presented have on your future work?
- Identify a specific strategy for documentation and/or client collaboration you have learnt from the presentation.

NOTE: Attendance certificates will be issued via email in the days preceding the event. Please print a copy to be validated at the conclusion of the event on 10 March 2022.
