- Speculate on possible futures of design for residential projects.

AACA Competency: Design, Pre Design 2.3; Schematic Design: 4.1, 4.2

- Identify ways in which challenging sites/briefs can lead to innovative and unique solutions in housing.

AACA Competency: Detailed Design 5.1

- Consider the way in which materiality and landscape contribute to the spatial qualities of a home.

AACA Competency: Conceptual Design 3.2, 3.3, 3.7

## FORMAL ASSESSMENT

- Compare and contrast how the two architects designed homes that balance moments for family living and personal retreat.
- What were some of the challenges faced by the presenting architects and clients and how were they addressed?
- Were there any aspects of the case studies presented (design process or outcome) that you would have done differently?
- What impact will the case studies presented have on your future work?
- Identify a specific strategy for documentation and/or client collaboration you have learnt from the presentation.

NOTE: Attendance certificates will be issued via email in the days preceding the event. Please print a copy to be validated at the conclusion of the event on 23 June 2022.
