LEARNING OUTCOMES

Participants who attend Our Houses, Sydney on 12 May 2022 will be able to:

- Describe the approach of two different practices working in two distinct contexts.

AACA Competency: Design, Project Briefing 1.4, Pre Design 2.2

- Speculate on possible futures of design for residential projects.

AACA Competency: Design, Pre Design 2.3; Schematic Design: 4.1 and 4.2

- Describe how different types of residential dwellings can contribute to the housing crisis in our cities.

Competency: Conceptual Design 3.3, 3.6

- Identify ways in which challenging sites/briefs can lead to innovative and unique solutions in housing.

AACA Competency: Detailed Design 5.1

FORMAL ASSESSMENT

- Compare and contrast how the two architects designed homes that cater to evolving family dynamics and multigenerational living in Australia.

- What were some of the challenges faced by the presenting architects and how were they addressed?

- Were there any aspects of the case studies presented (design process or outcome) that you would have done differently?

- What impact will the case studies presented have on your future work?

- Identify a specific strategy for documentation and/or client collaboration you have learnt from the presentation.

NOTE: Attendance certificates will be issued via email in the days preceding the event. Please print a copy to be validated at the conclusion of the event on 12 March 2022.
