

# Our Houses, Sydney

Tuesday, 14 November 2023

## LEARNING OUTCOMES

Participants who attend Our Houses, Sydney on 14 November 2023 will be able to:

- Describe the approach of two different practices working in two distinct contexts.

AACA Competencies: Project Initiation and Conceptual Design; PC19, PC20.

- Speculate on possible futures of design for residential projects.

AACA Competency: Project Initiation and Conceptual Design; PC30.

- Analyse different design strategies that seek to create generous living environments in tight spaces.

AACA Competency: Project Initiation and Conceptual Design; PC24.

- Identify ways in which challenging sites/briefs can lead to innovative and unique solutions in housing.

AACA Competencies: Project Initiation and Conceptual Design; PC26, PC29.

## FORMAL ASSESSMENT

- Comparing the two projects presented, discuss how the architects designed homes that maximize space in a small footprint.
- What were some of the challenges faced by the presenting architects and how were they addressed?
- Were there any aspects of the case studies presented that you would have approached differently?
- List three new design solutions, learnt through the presentations, that you will consider and develop in your future work.
- Identify a specific strategy for documentation and/or client collaboration you have learnt from the presentations.

NOTE: Attendance certificates will be issued via email in the days preceding the event. Please print a copy to be validated at the conclusion of the event on 14 November 2023.
