The Architecture Symposium: How new is now? – Session 4

25 March 2021

1 Formal
CPD
Point

LEARNING OUTCOMES

Participants who attend The Architecture Symposium: How new is now? –Session 4 will be able to:

- Engage with the key questions facing architects in the Asia Pacific today.

AACA Competency: Design, Project Briefing 1.4; Conceptual Design, 3.3; Detailed Design 5.1

- Consider how an understanding of past crises might inform our response to today's challenges.

AACA Competency: Design, Conceptual Design 3.6; Schematic Design 4.4

- Recall specific design methods employed by architects working across different disciplines across the Asia Pacific.

AACA Competency: Design, Conceptual Design 3.2; Detailed Design 5.1

FORMAL ASSESSMENT

- Explain one lesson architects should learn from a past crisis.
- How might the COVID-19 pandemic change cities in the Asia Pacific?
- How can an understanding of different models of urbanism inform architectural practice?
- Describe the impact that the material raised in this session will have on your workplace and the future practise of architecture in the Asia Pacific.
- Identify a specific presentation that challenged you to think differently about contemporary architecture.
- Were there any issues raised that you feel require further discussion or exploration?

NOTE:

Following completion of the symposium and when your attendance is verified by the platform's analytics, you will be emailed your attendance certificate(s). This is not an automated process, so please allow time for these to be issued. For delegates who will be viewing sessions on demand, after the live dates, certificates will not be issued until after 4 May 2021.
