

Design Speaks Collection Season One.

New Directions in Market Housing

May – August 2022

LEARNING OUTCOMES

Participants who attend New Directions in Market Housing (Design Speaks Collection Season One 2022) will be able to:

- Interrogate the architect-developer relationship and identify specific projects where architects have worked creatively and collaboratively with developers to deliver a public good.

AACA Competency: Practice Management and Professional Conduct; PC12. Project Initiation and Conceptual Design; PC24.

- Identify the ways in which design excellence requirements influence market housing design outcomes in different jurisdictions.

AACA Competency: Practice Management and Professional Conduct; PC3. Project Initiation and Conceptual Design; PC32.

- Recall specific lessons from architects delivering innovative market housing.

AACA Competency: Project Initiation and Conceptual Design; PC25.

FORMAL ASSESSMENT

- What did the projects presented reveal about the way architects can work collaboratively with developers?
- What are some of the potential effects of Sydney design excellence provisions and other models internationally on market housing?
- How do you see the current recession and other crises influencing the delivery of market housing?
- Describe the impact that the material raised in this session will have on your workplace and the future practise of architecture in Australia.
- Identify a specific presentation that challenged you to think differently about contemporary Australian architecture.
- Were there any issues raised that you feel require further discussion or exploration?

NOTE:

Attendance certificates will be issued via email from 15 August 2022 pending verification of your attendance by the platform's analytics. This is not an automated process, so please allow time for these to be issued.
