

Design Speaks Collection Season Two.

Small: Making Community

October 2022 – January 2023

LEARNING OUTCOMES

Participants who attend Small: Making Community (Design Speaks Collection Season Two 2022/2023) will be able to:

- Critique specific small-scale public projects that were designed to foster and support community.
AACA Competency: Project Initiation and Conceptual Design; PC19.
- Reflect on the challenges and opportunities that come when architects engage with community groups to deliver small-scale projects.
AACA Competency: Project Initiation and Conceptual Design; PC27, PC29, PC30.
- Reflect on the impact of time, budget and site constraints on small-scale community architecture projects.
AACA Competency: Practice Management and Professional Conduct; PC11. Project Initiation and Conceptual Design; PC20
- Compare specific examples of projects presented by practitioners and consider how they are challenging the field of architecture in Australia.
AACA Competency: Project Initiation and Conceptual Design; PC24, PC25.

FORMAL ASSESSMENT

- Compare the outcomes of two projects presented in this session that have effectively fostered and supported community.
- Describe a strategy discussed in this session that sought to balance budget and time constraints with the client and community brief.
- What are some design challenges for small-scale community projects that may arise over the next ten years?
- Recall a specific speaker that challenged you to think differently about the meaning of small-scale design for the community in Australia.
- Describe a specific finding presented at the symposium that will directly influence your design practice.
- Were issues raised that you feel require further discussion or exploration?

NOTE:

Attendance certificates will be issued via email from 31 January 2023 pending verification of your attendance by the platform's analytics. This is not an automated process, so please allow time for these to be issued.
